The Board will hear an update of Department of Technology Services activities and receive reports on the CALNET II acquisition, Voice over Internet Protocol technology, and network consolidation.

As recommended by the California Performance Review, the Department of Technology Services is a new state department created by Governor's Reorganization Plan (GRP) 2 which consolidated the Health and Human Services Agency Data Center, the Stephen P. Teale Data Center and the Department of General Services-Office of Network Services, within the State and Consumer Services Agency.

The Technology Services Board provides governance and guidance to the Department of Technology Services to ensure oversight and customer orientation.

The Board members include a designee of the Governor, as Chair; the Director of Finance, as Vice-Chair; the State Controller, the Secretaries of the Department of Food and Agriculture, Business, Transportation and Housing Agency, California Environmental Protection Agency, Health and Human Services Agency, Labor and Workforce Development Agency, Resources Agency, State and Consumer Services Agency, Department of Veterans Affairs, California Department of Corrections and Rehabilitation, and the Director of the Governor's Office of Emergency Services.
